Academic Curriculum

The School Academic Year comprises of two semesters as herein below:

First Semester : **April to September**

Second Semester : **October to March**

St. Mary's is affiliated to the Central Board of Secondary Education (CBSE). We prepare our Students from Class 1 to 10 in accordance with the CBSE Syllabus, giving due respect to the New Educational Policy of the Government of India following Textbooks and Reference books based on the guidelines of NCERT. This enables our students to be well prepared to appear for the, AISSCE (All India Senior Secondary School Certificate Examination) conducted by CBSE.

In the Junior Sections, we take extra care to ensure that the syllabus of one class dovetails into the next higher class in a way such that no undue burden is felt by the student.

Scientifically-proven graded methods of teaching towards developing the skill to read and write are adopted. Art and Craft (line and curve drawings, thumb-print sketches, paintings, paper foldings, models, etc.), Music, Story telling and Role play form an integral part of the Juniors' curriculum. Work Experience, Outdoor and Co-Curricular Activities, etc. enrich the Seniors' Curriculum.
